

NOVEMBER 2018

Harvey R. Gross, MD PC

370 Grand Avenue, Ste 102, Englewood, NJ 07631 • P 201 567 3370

Lung Cancer

The most important thing you can do to lower your lung cancer risk is to quit smoking and avoid secondhand smoke.

For help quitting, visit smokefree.gov, call 1 (800) QUIT-NOW (784-8669), or text "QUIT" to 47848 from your cell phone.

What You Can Do to Lower Your Risk

Help lower your risk of lung cancer in the following ways—

- ☑ **Don't smoke.** The most important thing you can do to prevent lung cancer is to not start smoking, or to quit if you smoke.
- ☑ **Avoid secondhand smoke.** Smoke from other people's cigarettes, pipes, or cigars is called secondhand smoke. Make your home and car smoke-free.
- ☑ **Get your home tested for radon.** The second leading cause of lung cancer is radon, a naturally occurring gas that comes from rocks and dirt and can get trapped in houses and buildings.

November is National Caregiver's Month

Remember to recognize and thank the caregivers in your life!

Positive Aspects of Caregiving

- ♥ A sense of fulfillment
- ♥ Establishment of extended social networks or friendship groups associated with caregiving
- ♥ Feeling needed and useful
- ♥ Learning something about one's self, others, and the meaning of life.

B.Y.O.B

Bring Your Own Medicine Bottles each and every time you come to our office.

This is **IMPORTANT** so we can update your chart.

Have Unused Prescription Medicines?

Learn how you can dispose of your unused and expired medications anonymously in secured drug drop boxes 7 days/week, 365 days/year via **Project Medicine Drop** program. Call **800-242-5846** or for more information, visit <https://www.NJConsumerAffairs.gov/meddrop>

Shared Decision Making

Low Back Pain - "Should I have MRI?" Discuss this shared decision making option with your doctor during your visit.

Q.U.O.T.E.S . . . t o . . . L.I.V.E . . . b y . . .

Gratitude can transform common days into **thanksgivings**, turn **routine jobs** into **joy**, and change **ordinary opportunities** into **blessings**.

Diabetes is a chronic (long-lasting) disease that affects how your body turns food into energy. **Three main types of diabetes:**

- ❶ **Type 1 Diabetes** - body doesn't make enough insulin, can develop at any age, no known way to prevent it
- ❷ **Type 2 Diabetes** - body can't use insulin properly, can develop at any age, most cases can be prevented. The most common type of diabetes.
- ❸ **Gestational Diabetes** - Some women get this kind of diabetes when they are pregnant. Most of the time, it goes away after the baby is born. But even if it goes away, these women and their children have a greater chance of getting diabetes later in life.

Put Care on Your Calendar

☑ Every day:

- Take your medicines for diabetes and any other health problems even when you feel good.
- Check your feet every day for cuts, blisters, red spots, and swelling. Call your health care team right away about any sores that do not go away.
- Brush your teeth and floss every day to keep your mouth, teeth, and gums healthy.
- Stop smoking. Ask for help to quit. Call 1-800-784-8669.
- Keep track of your blood sugar. You may want to check it one or more times a day.
- Check your blood pressure if your doctor advises and keep a record.

☑ Each Health Care Visit (several times a year):

- Get a blood pressure, foot, weight check and review self-care plan

☑ Twice a Year:

- Get an A1C test (may be more often if over 7) and dental checkup.

☑ Once a Year:

- Get a cholesterol test, urine and a blood test to check for kidney problems, visit your podiatrist (foot doctor) - foot exam and eye doctor - have a dilated eye exam, and get a flu shot (and other vaccines as recommended by your doctor).

Reminders for Your Office Visit

- Bring your **prescription bottles** or **list of medication** to your visit.
- Do you need **medication refills**? Tell us at your office visit.
- Did you let us know if you have **any change(s) in your personal information** such as address, phone number and insurance?
- Do you need a **Referral for a Specialist** or do you need **further testing outside of our office**? You may need to call your insurance plan to verify your coverage.
- Did you check if your plan **covers Well care or a Physical**?
- Are you up-to-date on your screenings for **Mammogram** and **Colonoscopy**? **Are you due for one?** Ask your MD.
- Are you being referred by your PCP to get any **radiology test(s)**? If so, please let us know in case you need a **Pre-certification**.
- Is your **Immunization record** up to date? Please update us.
- Are you **Pre-Diabetic**? Have you discussed this with your MD?
- Did you get a **Summary of your Visit** today? If not, please ask for it before leaving.
- Do you need to make a **Follow-up appointment**? **Please stop at Check-out and make an appointment before you leave.**

Support Groups @ Englewood Hospital

Englewood Hospital Events Calendar

Please check Englewood Hospital's Calendar of Events link for upcoming events at <https://www.engagewoodhealth.org/calendar-events-classes>

Bariatric/Weight Loss Surgery Support Group

A free program for patients who have experienced the surgical solution to weight loss. If you are considering surgery, you are also welcome to join the group. The support group meets on the first Tuesday of each month at 6pm.

Bereavement Support Group

VNA of Englewood: Bereavement Support Group runs on Thursdays from 12pm – 1:30 pm at Englewood Hospital. Please check with the hospital main desk for the location on each Thursday. For additional information, please call Erica DiFrancisco at 201-894-333, group facilitator.

Cancer Support:

Breast Cancer Support Group

Relax your mind as you connect with other women living with breast cancer. Open to all women experiencing any stage of breast cancer. First timers should call Cathy Verhulst at 201-608-2162 prior to attending. The support group meets the first and third Friday of every month at 10:30 am.

Oral, Head and Neck Cancer Support Group

SPOHNC (Support for People with Oral, Head and Neck Cancer), a patient directed, self-help organization founded in 1991 by an oral cancer survivor. It is non-profit organization dedicated to meeting the emotional, physical and humanistic needs of oral head and neck cancer patients and their care givers. Bergen County Chapter meets from 7pm – 8:30pm at Englewood Hospital on the fourth Wednesday of the month in conference room "A". For inquiries, please contact Patrick Taaffee at 201-931-6394.

Cardiac – Visiting Hearts: A Support Program for Cardiac Patients

New patients are informed of the "Visiting Hearts" program prior to their day of Pre-Admission Testing. For more information, please call Robyn Giaccone at 201-894-3950.

Diabetes Education

A free program is open to individuals and their families. This group allows participants to share their experiences, learn from others and discuss how they live with diabetes. Guest speakers are often featured. This group meets on the fourth Tuesday of every month from 7pm – 8:30pm. (No meetings in July and August). An Insulin Pump Support Group is held quarterly for those using an insulin pump, those interested in pump therapy, and those using multiple daily injections. To schedule an appointment or for additional information, please call 201-894-3335.

Support Groups @ Englewood Hospital

Families Anonymous

Families Anonymous is a group of concerned relatives and friends whose lives have been adversely affected by a loved one's addiction to alcohol, drugs or related behavioral problems. All who have experienced the effects of a loved one's addiction are welcome.

The group meets at Englewood Hospital every Friday at 7:30pm. Call 917-836-3672 or email gerilam@msn.com for more information.

Neuropathy Support Group

This group meets on the third Thursday of March, April, May September, October and November at 7pm. Call Rich Booz at 201-587-1250, Mary Robertson at 973-226-1535, Tom McCullum at 201-692-9313 or Dean Lewis at 631-223-8416 for additional information.

Post Partum Services / Wellness Wednesdays

You and your newborn child are invited to attend our group, focused on adjustment to motherhood, coping with stress, and adapting to new family dynamics. A licensed clinical social worker facilitates the sessions, which provide comfort, emotional support, information, and referrals to resources for new moms who are adjusting to parenthood. The group meets every Wednesday at 1pm. Registration is required. Call 201-894-3092.

Support Groups @ Holy Name Medical Center

Free Support Groups meet monthly. To register call 1-877-465-9626, unless otherwise noted.

Each facility offers every level of inpatient and outpatient care from partial through one-on-one counseling.

They offer the following services: Withdrawal Management (Detoxification), Residential Treatment, Partial Hospitalization, and Intensive Outpatient. They also offer Extended Care Programs: Seabrook House West, Changes for Women/Young Adult Program, Recovery Enhancement Program. They offer “The Family Matrix Program”, a three-day, structured experience designed to help families begin to heal and strengthen the bonds strained by addiction. They provide Holistic Approaches to Treatment such as Equin Therapy, Music Therapy, Yoga, Acupuncture, and many more. Please call for details. Seabrook House accepts many health insurance programs. Treatment is covered by most insurances. For more information, visit www.Seabrookhouse.org or call 800-761-7575 ext. 1515

Healthy Recipe

Stuffed Cabbage Soup

Ingredients

- 1/2 lb. ground round
- 1 tsp. olive oil
- 1-1/2 cups sliced onion
- 3 garlic cloves, crushed
- 2 cups shredded cabbage
- 28-oz. can petite diced tomatoes, low sodium
- 14-oz. can low-sodium beef broth
- 3 cups water
- 2 tbsp. parsley
- 3 cups cooked brown rice or other grain, such as barley or millet

Directions

Brown meat in soup pot.

Drain fat if necessary.

Add olive oil, then onions and garlic and sauté briefly.

Add shredded cabbage and continue stirring.

Add tomatoes, beef broth, and water.

Bring to boil.

Reduce heat and let cook for about 10 minutes on simmer. Sprinkle in parsley.

To serve, put half a cup of cooked brown rice or other grain of your choice (barley, millet, quinoa) into a large bowl.

Ladle stuffed cabbage soup over grain.

Serve.

Makes 6 servings

Each serving contains about 232 calories, 6 g fat (2 g saturated fat, no trans fat, 22 mg cholesterol), 369 mg sodium, 34 g carbohydrate, 4 g dietary fiber, 7 g sugars, and 12 g protein.
