

National Influenza Vaccination Week, observed Dec. 1-7, aims to highlight the importance of *continuing flu vaccination through the holiday season and beyond.*

How Does Flu Spread? Most experts think that flu viruses are spread mainly by droplets made when people with flu cough, sneeze or talk. These droplets can land in the mouths or noses of people who are nearby or possibly be inhaled into the lungs. A person might also get flu by touching a surface or object that has flu virus on it and then touching their own eyes, mouth or nose.

Stop the spread of germs that can make you and others sick!

- Cover your mouth and nose with a tissue when you cough or sneeze.

- Put your used tissue in the waste basket.

- If you don't have a tissue, cough or sneeze into your upper sleeve, not your hands.

- You may be asked to put on a facemask to protect others.

- Wash hands often with soap and warm water for 20 seconds.

- If soap and water are not available, use an alcohol-based hand rub.

REMINDER: Schedule an appointment for a Flu Shot

December is observed as "**Safe Toys & Gifts Month**" as a means for alerting us to the need to be careful when making our toy and gift choices,

and to prompt us to keep in mind their safety and suitability.

Guidelines for Choosing Safe Toys:

- ☑ Inspect toys before purchasing. Avoid those with flying parts or that shoot.
- ☑ Toys should not have sharp edges or points and should be sturdy enough to withstand any significant impact without breaking.
- ☑ Choose toy for children with special needs that appeal to different senses such as texture, sound, and movement. Consider toys size appropriate and those that allow the child to play with others.
- ☑ Inspect the toys your child receives. Check for age and skill level. Make sure of the developmental appropriateness.
- ☑ Make sure the toys have passed a safety inspection. "ATSM" means the toy has met the American Society for Testing and Materials standards.
- ☑ Make sure Crayons are "nontoxic."
- ☑ Make sure the toys do not have small part including magnets or small button batteries.
- ☑ Make sure the toys do not contain lead.
- ☑ Make sure toys do not have ropes or heating elements.

December 1-7 is Older Driver Safety Awareness Week

As we age, declines in vision and cognition (ability to reason and remember), and **physical changes** might affect driving. Certain medical problems such as heart disease, dementia, sleep disorders, and limited hearing and vision place older adults at an increased risk of car crashes. Additionally, medicines, both prescription and over the counter, such as those used for sleep, mood, pain, and/or allergies among others might affect driving safety. Older drivers are also at an increased risk of being injured or killed in a crash due to increasing frailty and underlying health problems.

Few Steps that Older Adults Can Take to Stay Safe on the Road:

- ☼ Discuss any medical issues with your doctor to determine if they might affect your driving.
- ☼ Discuss stopping or changing your medications with your doctor or pharmacist if you experience any side effects that could interfere with safe driving such as fatigue, blurry vision, dizziness, sleepiness, confusion, and/or loss of consciousness.
- ☼ Have your eyes checked by an eye doctor at least once a year. Wear glasses and corrective lenses as directed.
- ☼ Plan your route before you drive.
- ☼ Consider potential alternatives to driving, such as riding with a friend, using public transit, or car ride services.

World AIDS Day, is an opportunity for people worldwide to unite in the fight against HIV, to show support for people living with HIV, and to commemorate those who have died from an AIDS-related illness.

Shared Decision Making: High Blood Pressure - "Should I take Medicine?"

Discuss this shared decision making option with your doctor during your visit.

☼ **Reminders for Your Office Visit** ☼

- ☐ Bring your **prescription bottles** or **list of medication** to your visit.
- ☐ Do you need **medication refills**? Tell us at your office visit.
- ☐ Did you let us know if you have **any change(s) in your personal information** such as address, phone number and insurance?
- ☐ Do you need a **Referral for a Specialist** or do you need **further testing outside of our office**? You may need to call your insurance plan to verify your coverage.
- ☐ Did you check if your plan **covers Well care or a Physical**?
- ☐ Are you up-to-date on your screenings for **Mammogram** and **Colonoscopy**? **Are you due for one?** Ask your MD.
- ☐ Are you being referred by your PCP to get any **radiology test(s)**? If so, please let us know in case you need a **Pre-certification**.
- ☐ Is your **Immunization record** up to date? Please update us.
- ☐ Are you **Pre-Diabetic**? Have you discussed this with your MD?
- ☐ Did you get a **Summary of your Visit** today? If not, please ask for it before leaving.
- ☐ Do you need to make a **Follow-up appointment**? **Please stop at Check-out and make an appointment before you leave.**

Support Groups @ Englewood Hospital

Englewood Hospital Events Calendar

Please check Englewood Hospital's Calendar of Events link for upcoming events at <https://www.engagewoodhealth.org/calendar-events-classes>

Bariatric/Weight Loss Surgery Support Group

A free program for patients who have experienced the surgical solution to weight loss. If you are considering surgery, you are also welcome to join the group. The support group meets on the first Tuesday of each month at 6pm.

Bereavement Support Group

VNA of Englewood: Bereavement Support Group runs on Thursdays from 12pm – 1:30 pm at Englewood Hospital. Please check with the hospital main desk for the location on each Thursday. For additional information, please call Erica DiFrancisco at 201-894-333, group facilitator.

Cancer Support:

Breast Cancer Support Group

Relax your mind as you connect with other women living with breast cancer. Open to all women experiencing any stage of breast cancer. First timers should call Cathy Verhulst at 201-608-2162 prior to attending. The support group meets the first and third Friday of every month at 10:30 am.

Oral, Head and Neck Cancer Support Group

SPOHNC (Support for People with Oral, Head and Neck Cancer), a patient directed, self-help organization founded in 1991 by an oral cancer survivor. It is non-profit organization dedicated to meeting the emotional, physical and humanistic needs of oral head and neck cancer patients and their care givers. Bergen County Chapter meets from 7pm – 8:30pm at Englewood Hospital on the fourth Wednesday of the month in conference room "A". For inquiries, please contact Patrick Taaffee at 201-931-6394.

Cardiac – Visiting Hearts: A Support Program for Cardiac Patients

New patients are informed of the "Visiting Hearts" program prior to their day of Pre-Admission Testing. For more information, please call Robyn Giaccone at 201-894-3950.

Diabetes Education

A free program is open to individuals and their families. This group allows participants to share their experiences, learn from others and discuss how they live with diabetes. Guest speakers are often featured. This group meets on the fourth Tuesday of every month from 7pm – 8:30pm. (No meetings in July and August). An Insulin Pump Support Group is held quarterly for those using an insulin pump, those interested in pump therapy, and those using multiple daily injections. To schedule an appointment or for additional information, please call 201-894-3335.

Support Groups @ Englewood Hospital

Families Anonymous

Families Anonymous is a group of concerned relatives and friends whose lives have been adversely affected by a loved one's addiction to alcohol, drugs or related behavioral problems. All who have experienced the effects of a loved one's addiction are welcome.

The group meets at Englewood Hospital every Friday at 7:30pm. Call 917-836-3672 or email gerilam@msn.com for more information.

Neuropathy Support Group

This group meets on the third Thursday of March, April, May September, October and November at 7pm. Call Rich Booz at 201-587-1250, Mary Robertson at 973-226-1535, Tom McCullum at 201-692-9313 or Dean Lewis at 631-223-8416 for additional information.

Post Partum Services / Wellness Wednesdays

You and your newborn child are invited to attend our group, focused on adjustment to motherhood, coping with stress, and adapting to new family dynamics. A licensed clinical social worker facilitates the sessions, which provide comfort, emotional support, information, and referrals to resources for new moms who are adjusting to parenthood. The group meets every Wednesday at 1pm. Registration is required. Call 201-894-3092.

Support Groups @ Holy Name Medical Center

Free Support Groups meet monthly. To register call 1-877-465-9626, unless otherwise noted.

They provide Holistic Approaches to Treatment such as Equin Therapy, Music Therapy, Yoga, Acupuncture, and many more. Please call for details. Seabrook House accepts many health insurance programs. Treatment is covered by most insurances. For more information, visit www.Seabrookhouse.org or call 800-761-7575 ext. 1515

Healthy Recipe

Tuscan Bean Soup

Healthy greens and beans add a flavorful punch to this easy soup recipe.

Servings: 6 cups

Ingredients:

- 1 tsp. **olive oil** (extra virgin preferred)
- 1/2 small **red onion** (chopped)
- 1 medium **celery** (chopped)
- 1 medium **garlic clove** (minced)
- 2 cups fat-free, low-sodium **chicken broth**
- 15.5 oz. canned, no-salt-added **Great Northern beans** (rinsed, drained)
- 14.5 oz. canned, no-salt-added, diced **tomatoes** (undrained)
- 1 tsp. dried **oregano** (crumbled)
- 1/2 tsp. dried **thyme** (crumbled)
- 1/4 tsp. crushed **red pepper flakes**
- 2 cups **spinach**
- 1/3 cup grated **Parmesan cheese**

Directions:

- In a large saucepan or Dutch oven, heat the oil over medium heat, swirling to coat the bottom. Cook the onion, celery, and garlic for 4 to 5 minutes, or until the onion and celery are soft.
- Stir in the broth, beans, tomatoes with liquid, oregano, thyme, and red pepper flakes. Increase the heat to medium high and bring to a simmer, stirring occasionally. Reduce the heat and simmer, covered, for 20 minutes so the flavors blend.
- Stir in the spinach. Simmer, covered, for 2 to 3 minutes, or until the spinach is wilted.
- Just before serving, sprinkle the soup with the Parmesan.
